EPIC X CHRONO "MESSI"
The Epic X Chrono "Messi" marks the beginning of
an exclusive partnership between Lionel Messi and Jacob & Co.,
and will be the first of several limited edition pieces designed
in collaboration with the legendary football player.
Leo Messi personalized his watch by putting his iconic number "10"
in red on the flange ring, his logo on the dial at six o'clock and his signature
on the blue sapphire glass on the back of the case.

Вчера в Базеле завершилась крупнейшая выставка часов и ювелирных изделий, о самых ярких моментах которой мы рассказывали. Для тех, кто не смог на ней побывать, предлагаем несколько фотографий. Логично, что наибольший интерес вызвал у нас стенд нашего партнера Jacob & Co. Все фото - (c) Nasha gazeta.
